(b) Requests for permission to hold services or ceremonies will be addressed to the Secretary, or the Director of the Department of Veterans Affairs hospital or center involved. Such applications will describe the proposed activity in sufficient detail to enable a determination as to whether it meets the standards set forth in paragraph (a) of this section. If permission is granted, the Director of the hospital or center involved will assign an appropriate time, and render assistance where appropriate. No organization will be given exclusive permission to use the hospital or center reservation on any particular occasion. Where several requests are received for separate activities, the Director will schedule each so as to avoid overlapping or interference, or require appropriate modifications in the scope or timing of the activity.
